CQB Indoor War Game

Close Quarters Battle (CQB) is a type of fighting in which small units engage the enemy with personal weapons at very short range, potentially to the point of hand-to-hand combat.

We will recruit a maximum of 40 participants on a first-come-first-serve basis. The group will be divided into 2 teams (each with 15-20 players). The participants will play different roles in attack, defense, protection, searching and other kinds of military tactics. All participants will be protected by full gear of suits and helmets.
